PACKING

I INSTRUCT WEBB'S TO PACK MY ITEMS: (Office only: DA to cross out if item falls outside our criteria)

If I have instructed Webb's to pack my goods, I understand and accept that:

- Webb's accepts no responsibility for these goods whilst they are in transit.
- These items are not covered by Webb's insurance in transit.
- I do not hold Webb's or its staff liable for any loss or damage that may occur in transit.
- Whilst Webb's will go to every effort to safely pack my goods, Webb's does not qualify as a professional packing agent and as such goods packed by Webb's are unlikely to be covered by any insurance cover including cover personally organised through my own insurer or through a courier or freight agent.

I INSTRUCT WEBB'S TO COMMISSION A PROFESSIONAL PACKING AGENT TO PACK MY ITEMS:

If I have instructed Webb's to commission a professional packing agent to pack my goods, I understand and accept that:

- Webb's accepts no responsibility for these goods whilst they are in transit.
- These items are not covered by Webb's insurance in transit.
- Webb's has employed in good faith a professional packing agent to pack these items but Webb's or its staff are not liable for the quality of that packing and/or any subsequent loss or damage that may occur in transit.
- Onus is on myself to arrange transit insurance for the goods.
- If I arrange transit insurance I will not sign for received packages without first opening the package in front of the deliverer and establish that the contents are in good condition.
- If the item/s have been damaged in transit I will record this with the delivery agent and retain the packing in order to pursue a claim.
- In the event of loss or damage I will not hold Webb's responsible for pursuing any claim with an insurance agent and I agree that I will personally make a claim against the insurer.
